WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

HUY YING CHEN,

Appellant,

v.

THE BANK OF NEW YORK MELLON  
TRUST COMPANY NA, *et al.*,

Appellees.

Case No. C22-1231-RSM

ORDER

This matter comes before the Court *sua sponte*. Appellant, proceeding *pro se*, filed this bankruptcy appeal on September 1, 2022. Dkt. #1. On September 29, 2022, the Clerk for the U.S. Bankruptcy Court filed a notice of deficiency of appeal because Appellant failed to designate the record and failed to file a statement of issues. Dkt. #7. Appellant corrected these deficiencies, and a briefing schedule was set. *See* Dkt. #8. Appellant's brief was due by November 29, 2022, Appellee's response brief was due by December 29, 2022, and Appellant's reply brief was due by January 12, 2023. *Id.* However, the Certificate of Bankruptcy Record on Appeal, Dkt. #8, which included the briefing schedule, was never mailed to Appellant. On March 9, 2023, the Court noted this appeal and mailed Appellant a notice of electronic filing via USPS. Dkt. #9.

1 Accordingly, the Court sets a revised briefing schedule. Appellant's Brief is due April  
2 13, 2023, Appellee's Response Brief is due May 15, 2023, and Appellant's Reply Brief is due  
3 May 29, 2023. The Clerk of Court is directed to re-note the Bankruptcy Appeal on the  
4 Court's calendar for Tuesday, May 30 2023. The Clerk of Court is also directed to mail a  
5 copy of this order to Appellant via USPS.
